

### **Snow and Inclement Weather Policy** (updated January 2019)

Calvary United Methodist Church will be closed and all events cancelled when there are significant weather events. The church will post closure information on the church website [www.calvary-mtairy.org](http://www.calvary-mtairy.org) and the voice mail at the church 301-829-0358 by 7:30 AM.

When the church is closed, the building will remain locked and all scheduled events and activities will be cancelled. When church is closed, the church is not responsible for the condition of the parking lot. We ask that the lot be free of cars and all traffic so that snow can be promptly removed and surfaces treated.

The church will be closed on a business day when **BOTH** Carroll **AND** Frederick County Public Schools are closed due to weather conditions. When snow occurs on the weekend or holiday, the church will be closed at the discretion of the senior pastor.

If there is a delayed opening announced for **BOTH** Frederick **AND** Carroll County Public Schools, the church building will be closed until noon that day.

If **BOTH** Frederick **AND** Carroll County Public Schools cancel all after school activities due to weather conditions, the church building will be closed for the remainder of the day.

In the event that either Frederick or Carroll County Public Schools are open but the parking lot and sidewalks at the church are not safe, our Trustees reserve the right to keep the building closed until all walks and lots are safely cleared. The Trustees also reserve the right to open the building if BOTH Frederick and Carroll County Public Schools are closed but the parking lot and sidewalks at the church are safe.
