Calvary Community Care is a two-prong mission at Calvary United Methodist Church in Mount Airy, Maryland. We collect diapers, pull-ups, wipes, and board books for local residents that we distribute one Saturday each month. We also serve as a Hub to collect supplies for UMCOR Disaster Relief Kits.

In August 2024, the Calvary UMC congregation assembled and delivered over 140 UMCOR Feminine Hygiene Kits to Mission Central as a service project. In November/December 2024, Calvary received donations of 180 Flood Buckets and 511 Hygiene Kits from other churches. We verified and completed, as needed, the Hygiene Kits. Those donations were picked up for delivery to Mission Central for distribution. We have received additional Flood Buckets and unverified Hygiene Kits. We plan to complete and verify the Hygiene Kits and deliver all items to Mission Central in the coming months.

In 2024 the Diaper Bank provided baby supplies to an average of 24 families each month. The total number of the 25-diaper/pull-up packages we wrapped and distributed to individual families in 2024 was 619. We also distributed 455 packages of wipes and many board books. Additionally, we made diaper/pull-up donations to a hospital and another area diaper bank.

Twenty-four different individuals have participated in these projects, donating over 220 hours in 2024.

Executive Team Chair, Megan McCulley
