

Snow and Inclement Weather Policy (updated February 2025)

Calvary United Methodist Church may be closed due to inclement weather. The church will post closure information on the church website www.calvary-mtairy.org and Facebook page. When the church is closed, all scheduled events and activities are canceled. When the church is closed, the church is not responsible for the condition of the parking lot or sidewalks. When the church is closed in winter, we ask that the lot be free of cars and all traffic so that snow can be promptly removed and surfaces treated.

The church will be closed when Carroll County Public Schools are closed due to inclement weather. If there is a delayed opening for Carroll County Public Schools, the church building will open at noon. If Carroll County Public Schools closes early or cancels all after school activities, the church building will be closed for the remainder of the day. If Carroll County Public Schools are open but the parking lot and sidewalks at the church are not safe, our Trustees reserve the right to keep the building closed until all walks and lots are safely cleared.

If inclement weather occurs on a weekend or a holiday, the church will be closed at the discretion of the senior pastor.
